Application Steps:

First Step

Please submit your application using online application form. No application fee is needed to apply. We will process your application once we receive it.

Second Step

After looking at the details of the application, we will visit the project and confirm the placement for you. We will also make all the necessary arrangements for rooms/foods. Once everything are confirmed and arranged, we will send you confirmation letter and placement sheet through an email. A pre-departure information booklet will also be attached. This process may take up to 2 - 4 weeks.

We will also forward you a link where you can pay your \$219 registration fee. You will pay the rest of the money in the host country. Our coordinator will explain this to you clearly.

Third Step

Please pay registration fee and start to prepare for the trip. Your preparation includes vaccination, visa, ticket, collecting information about Nepal, or the country where you are going, etc.

Fourth Step

Once you confirm your flight itinerary, please pass on this information to us. When you arrive in the airport, one of our staffs will be waiting for you. The same or next day, you will pay the weekly fee and start the program. You will pay the weekly project fee directly to the orphanage in first day. Start your project without any worries as we will take care of your every need during your stay.

Please feel free to call us or contact us at any point if you need any help.
